RE: VISA REQUEST

On June 3-4, 2014, the Government of Ethiopia and the Government of the United States will co-host the U.S.-Africa Energy Ministerial (AEM) in Addis Ababa, Ethiopia with the theme, "*Catalyzing Sustainable Energy Growth in Africa*". Leadership Africa USA is supporting the Governments of Ethiopia in facilitating the participation of the international private sector and NGO community.

The person bearing this letter has been invited to participate in this historic event. We hope you will be able to facilitate the processing of their visa so that they can join us for what promises to be the premier energy event in Africa this year.

Sincerely,

Walker Williams
